NEW – ROATx Sustaining Members and

Affiliate Members Benefit!

Starting June 1st, all September 2008 thru September 2009 new or renewal Sustaining and Affiliate Members get FOUR (4) FREE ONLINE CECs per membership year!

That's right, we feel your commitment to maintaining your registration/certification should be recognized and rewarded, so we have made it even easier to get your CE credits, right from the convenience of your home or office.

Thanks to a special arrangement between the Registered Opticians of Texas (ROATx) and Quantum Optical, our Sustaining and Affiliate members get **FOUR (4) FREE ONLINE CECs** per membership year!

Of course, all ABO/NCLE certified opticians are welcome to meet 100% of their credit requirements online at www.quantumoptical.com. However, all ROATx Sustaining and Affiliate members get them for **FREE**. That's a \$60.00 value, just for being a Sustaining Member or Affiliate Member of ROATx! You're registered/certified, and you're worth it!

The best part is that each year when you renew your membership, your account is automatically recharged with 4 more credits. Over the span of the 3 year ABO renewal period, you will have met your 12 CE credit requirement, for free, online, as a ROATx sustaining or affiliate member!

This does not mean that we do not expect you to attend our Annual Education Seminar and Convention each year in San Antonio. It is just your professional association's way of helping you get education in every way possible. We have offered you our traveling seminars and annual education seminars, our two year college education through our partnership with the Northern Alberta Institute of Technology (NAIT), and now we offer you **ONLINE CECs** that you can take from the comfort of your home or office. ROATx is all about helping you get the best in education from every type of source that is available today.

How it works:

It's simple and it is included with your next year's membership automatically. Once you have joined or renewed, through September 2009, as a ROATx Sustaining or Affiliate member, an account will be created for you at www.quantumoptical.com.

Visit <http://www.quantumoptical.com>

1. Login using the information below
(Note: username and password may be different than your ROATx login info)
2. Select any CE course you like from the Online CE Course Menu
3. Read the material, then take the online test
4. Select the certificate (CEC) you need, then click submit
5. Test is graded automatically, CEC will be available to print instantly upon passing

Account Created For:

When you renew your Sustaining membership Four (4) credits will become available on your account to use whenever you like, up until the end of your next membership year, which is Sept 2009. When you renew your Sustaining or Affiliate membership status next year, your account will be recharged with four more CE credits!

This benefit is only for Sustaining Members that are new or are renewing their Sustaining Memberships through September 30th 2009 and for our new ROATx Affiliate level of membership which has as its only benefit this online 4 CEC program through Quantum Optical.

If you have any questions regarding this benefit, please contact Quantum Optical at 973-728-4372 or by e-mail: info@quantumoptical.com
